Key words. stars: formation – stars: protostars – stars: massive – stars: winds, outflows – stars: pre-main sequence – errata, addenda

We noticed that the x -axes for Fig. 2d and Fig. A.1a,b were incorrectly labelled “Right Ascension Offset (mas)” when referring to the position-velocity (PV) diagrams. The correct label is “Position Offset (mas)”.

* Jansky fellow.

** NASA postdoctoral program fellow.
